Cloverdale, Kramer & Portage Roads
Waterline Ext
Construction
Storm Water

July 30, 2010

Mr. William Barber
Northwestern Water & Sewer District
12560 Middleton Pike
Bowling Green, OH 43402

Dear Mr. Barber:

On July 12, 2010, Sarah Clement and I inspected Cloverdale, Kramer & Portage Roads Waterline Ext., in Center and Portage Townships in Wood County. The purpose of our visit was to evaluate compliance of the site with your National Pollutant Discharge Elimination System (NPDES) permit for storm water discharge associated with construction activity, Facility ID No. 2GC02610*AG. The inspection was conducted under the provisions of Ohio's water pollution control statutes, Ohio Revised Code (ORC) Chapter 6111. Ohio EPA has no record of other permittees at this site.

As a result of the inspection, I have the following comments:

At the time of inspection, construction appeared to just be starting. Some holes were being dug, but mostly the ground seemed to be untouched. There was no one working while we were there, nor was there a construction trailer. At the time of the inspection, the site appeared to be in compliance.

If there are any questions, please contact me at (49) 373-3036.

Sincerely,

Judson M. Delancey IV
