Byesville, Ohio 43723

Dear Mr. Fehrman:

On August 22, 2012, I performed a compliance inspection of your facility to determine its compliance with Ohio's hazardous waste laws and regulations as found in Chapter 3734 of the Ohio Revised Code (ORC) and Chapter 3745 of the Ohio Administrative Code (OAC).

Based on our observations and review of facility documentation, a notice of violation letter was sent to you on August 31, 2012. On September 14, 2012, I received your response which included a photograph of properly labeled and dated universal waste lamps boxes. Therefore, you have returned to compliance with the following hazardous waste regulation:

- i. OAC rule 3745-52-11 Hazardous waste determination.

You have now abated all violations cited from the August 22, 2012 inspection. If you have any questions, please call me at (740) 380-5278.

Sincerely,

Richard Stewart
District Representative
Division of Materials and Waste Management
