Dear Ms. Avery:

Thank you for the September 12, 2012 e-mail addressing my July 26, 2012 notice of violations. Your response included photographs documenting compliance with cited rules and descriptions of corrective measures taken. Ohio EPA now considers your facility to have adequately addressed all of the violations cited as a result of my July 11, 2012 inspection.

If you have any questions concerning this letter, please contact me at (330) 963-1226 or by e-mail.

Sincerely,

Sheryl K. Slone, P.E.
District Engineer
Division of Materials and Waste Management
