Re: Wood County  
Glenwood Road  
Construction Storm Water

June 29, 2011

Mr. Chip Tokar  
Stansley Mineral Resources, Inc.  
5648 Main Street  
Sylvania, Ohio 43560

Dear Mr. Tokar:

On June 22, 2011, I was in the vicinity of the Glenwood Road facility in Rossford, OH which is owned and operated by Stansley Mineral Resources, Inc. While there, I evaluated compliance of the site with your National Pollutant Discharge Elimination System (NPDES) Permit for storm water associated with construction activity (construction general permit or CGP), Facility ID no. 2GC02420\*AG. The observations are conducted under the provisions of Ohio's water pollution control statutes, Ohio Revised Code (ORC) Chapter 6111.

I observed that there is not an adequate construction drive for this facility and as a consequence there is significant tracking of sediment onto Glenwood Road. *This is a violation of Part III.G.2. of the CGP.*

Within 10 days of the date on this letter, please submit to this office **written notification** of the actions taken or proposed to prevent any future violations. Your response should include the dates, either actual or proposed, for the completion of the actions.

If you have any questions, you may contact me at (419) 373-3016 or by e-mail at [patricia.tebbe@epa.state.oh.us](mailto:patricia.tebbe@epa.state.oh.us).

Sincerely,

Patricia A. Tebbe, P.E.  
Division of Surface Water
