Dear Mr. Gottstein:

On November 17, 2010, I performed an inspection of the K Hovnanian Homes Model Home Sales Center located at Jerry City Road and South Dixie Highway in Henry Township, Wood County. The purpose of this visit was to evaluate compliance of the site with the National Pollutant Discharge Elimination System (NPDES) permit for storm water discharges associated with construction activity. The inspection was conducted under the provisions of Ohio's water pollution control statutes, Ohio Revised Code (ORC) Chapter 6111. As a result of this inspection, it appears that your site is eligible to terminate your NPDES permit.

It appears that construction activities at K Hovnanian Model Home Sales Site, Henry Township, Wood County are complete with final stabilization achieved on all portions of this site. Accordingly, a Notice of Termination (NOT) must be filed to relieve you of the obligation to comply with this general permit. The NOT form and instructions may be found on our website at: <http://www.epa.ohio.gov/dsw/storm/stormform.aspx>

If there are any questions, please contact me at (419) 373-3016 or by e-mail at patricia.tebbe@epa.state.oh.us

Sincerely,

Patricia A. Tebbe, P.E.
