Dear Mr. Torstenson:

On August 15, 2003, Edward Rose Development Co LLC received coverage under the Ohio EPA General Permit for Storm Water Associated with Construction Activity (CGP) for the Tracy Creek Apartment complex. This CGP is still active.

On September 29, 2010, I performed an inspection of this site, located at 29227 Tracy Road, Wood County. The purpose of this visit was to evaluate compliance of the site with the CGP. The inspection was conducted under the provisions of Ohio's water pollution control statutes, Ohio Revised Code (ORC) Chapter 6111. As a result of this inspection, it appears that you are eligible to terminate this NPDES permit.

Construction activities have been completed with final stabilization achieved on all portions of this site. Accordingly, a Notice of Termination (NOT) must be filed to relieve you of the obligation to comply with this general permit. I am enclosing an NOT form and instructions for your convenience.

If you have any questions, please contact me at (419) 373-3016 or by e-mail at patricia.tebbe@epa.state.oh.us

Sincerely,

Patricia A. Tebbe, P.E.
