7/8/2010

Mr. Robert Reck
PO Box 95
Bradford, OH 45308

Dear Mr. Reck:

Ohio EPA received the 2009 Consumer Confidence Report (CCR) for the Lakeside Estates MHP public water system on June 30, 2010. The CCR was reviewed for the required content. Based on our review, the Lakeside Estates MHP public water system is in violation of the Ohio Administrative Code (OAC) Rules 3745-96-01 through 04 for failure to comply with the CCR requirements. The following violation was noted:

1. Some of the required source water information was missing. Reference OAC Rule 3745-96-02 (B)(2) and the enclosed Drinking Water Source Assessment for the Lakeside Estates MHP.

Be sure to correct the violation as needed in your next CCR. As a reminder, the report for calendar year 2010 must be sent to your customers by no later than July 1, 2011. A copy of the CCR and a completed Certification Form must be submitted to the Northwest District Office.

The CCR template and instruction guide is accessible on our website:
www.epa.state.oh.us/ddagw.

If you have any questions, please contact me at 419-373-3042.

Sincerely,

Larry Moritz, R.S., M.S.I.H.
Division of Drinking and Ground Waters
