Notice of Violation – Monthly Report

Dear Mr. Wagner:

The Plant – Distribution Monthly Operation Report (EPA Form 5002) was received by Ohio EPA-Northwest District Office (NWDO) on **May 16, 2010**.

Ohio Administrative Code Rule 3745-83-01(l)(2) requires the operation report to be submitted to NWDO no later than the tenth of the month following the month for which the report was prepared and also requires the report to be signed by the operator in responsible charge designated in accordance with rule 3745-7-02 of the Administrative Code.

It has been noted that your report had been signed as required by Charles F. Rowalt.

More than one operator of record may be designated to oversee the technical operation of the public water system by completion and return of the enclosed Operator of Record Notification Form to the Operator Certification Unit.

Failure to take action to address this reporting violation may result in further enforcement action being taken.

If you have any questions regarding this letter, or any other matter involving your water system, please feel free to contact me at 419-373-3088 or via e-mail to jack.schwartz@epa.state.oh.us.
