Re: Minor Violation in 2008 Consumer Confidence Report

Dear Ms. Auler:

Ohio EPA received the 2008 Consumer Confidence Report (CCR) for Swanton Meadows MHP and has reviewed it for the required content. Based on our review, the following items need to be corrected:

1. Not all of the required Mandatory Education Language was contained in the report.
2. The Source Water Susceptibility Language was not included in the report.
3. The source of the water was not identified in the report.
4. MDRL and MDRLG were not defined in the report.

The next report for calendar year 2009 must be sent to your customers by no later than July 1, 2010. One copy of the CCR, along with a Certification Form, must be submitted to the Northwest District Office by July 1st annually.

The Ohio EPA CCR template, the Instructions for the Ohio EPA CCR and Certification Form that the CCR was Distributed are available at <http://www.epa.state.oh.us/ddagw/ccr.html>. Check our web site annually before preparing your CCR for the latest information required in your annual CCR.
