SUBJECT: CCR VIOLATION

Dear Ms. Medina:

Ohio EPA received the 2009 Consumer Confidence Report (CCR) for the Village of Malinta on June 16, 2010. The CCR was reviewed for the required content. Based on our review, the Village of Malinta public water system is in violation of the Ohio Administrative Code (OAC) Rules 3745-96-01 through 04 for failure to comply with the CCR requirements. The following violation was noted:

- The Table of Detected Contaminates is for the City of Napoleon. The table needs to clearly show all detected contaminants for the Village of Malinta and the City of Napoleon.

Be sure to correct the violations as needed in your next CCR. As a reminder, the CCR for calendar year 2010 must be sent to your customers by no later than July 1, 2011. A copy of the CCR and a completed Certification Form must be submitted to the NWDO by July 1, 2011.

The CCR template and instruction guide is accessible on our website at [www.epa.ohio.gov/ddagw](http://www.epa.ohio.gov/ddagw).

If you have any questions regarding this letter, or any other matter involving your water system, please feel free to contact me at this office (419) 373-3089 or via email at [jill.schiefer@epa.state.oh.us](mailto:jill.schiefer@epa.state.oh.us).
