Ohio Administrative Code Rule 3745-83-01(l)(2) requires the operation report to be submitted to NWDO no later than the tenth of the month following the month for which the report was prepared and also requires the report to be signed by the operator in responsible charge designated in accordance with rule 3745-7-02 of the Administrative Code.

It has been noted that your report had been signed as required by Darryl Young.

More than one operator of record may be designated to oversee the technical operation of the public water system by completion and return of the enclosed Operator of Record Notification Form to the Operator Certification Unit.
