Re: Notice of Violation – Monthly Operation Report

Dear Mr. Osborne:

The Grand Lake Mobile Home Park (MHP) Plant-Distribution Monthly Operation Report (MOR) (EPA Form 5002) for the August 2010 monitoring period was received by Ohio EPA-Northwest District Office (NWDO) on September 16, 2010.

Ohio Administrative Code Rule 3745-83-01(l)(2) requires the MOR to be submitted to NWDO no later than the tenth of the month following the month for which the report was prepared; and also requires the report to be signed by the operator in responsible charge designated in accordance with rule 3745-7-02 of the Administrative Code.

Failure to take action to address reporting violations may result in enforcement action being taken.

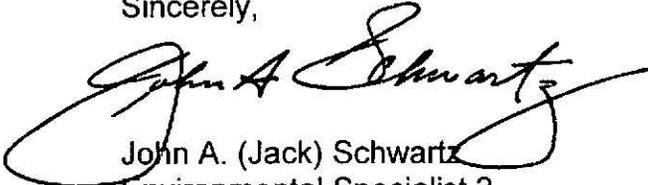

More than one operator of record may be designated to oversee the technical operation of the PWS by completion and return of the enclosed Operator of Record Notification Form to the Operator Certification Unit.

The Division of Drinking and Ground Waters (DDAGW) has started a web-based monthly report reporting site called eDWR. It may be more convenient for you to submit the monthly reports using eDWR. More information regarding this can be obtained at <http://www.epa.ohio.gov/ddagw/reporting.aspx#edwr>.
