Re: 2006 Consumer Confidence Report

Dear Mr. Street:

The Ohio Environmental Protection Agency (Ohio EPA) received the 2006 Consumer Confidence Report (CCR) for Green Valley Mobile Home Park (MHP) on June 18, 2007. The CCR was reviewed for the required content. Based on our review, the Green Valley MHP water system is in violation of the Ohio Administrative Code (OAC) Rules 3745-96-01 through 04 for failure to comply with the CCR requirements. The following minor violations were noted:

1. The Table of Detected contaminants is incomplete or inaccurate. The reported values for Total Coliform are the values for Total Chlorine. A column for the Maximum Contaminant Level Goal (MCLG) must be added to the table. All MCLs must be reported in the table.
2. MCL and MCLG must be added to the definitions portion of the report in accordance with OAC Rule 3745-96-02(C).

Be sure to correct the violation(s) as appropriate in your next CCR. The next report for calendar year 2007 must be sent to your customers by no later than July 1, 2008. A copy of the CCR along with a Certification Form must be submitted to the Ohio EPA, Northwest District Office at the above address. Violations in future reports may result in further enforcement action.

The CCR template and template guide are accessible on our website: www.epa.state.oh.us/ddagw.
