Notice of Violation – Monthly Report

Dear Ms. Angel:

The Greenwood Mobile Home Park (MHP) Water Plant/Distribution System Monthly Operating Report form (MOR) (EPA 5002) for the November 2010 monitoring period **has not been received** by Ohio EPA - Northwest District Office (NWDO).

Ohio Administrative Code (OAC) rule 3745-83-01(I)(2) requires operation reports to be submitted to NWDO no later than the tenth of the month following the month or monitoring period for which the report was prepared; and also requires the report to be signed by the operator in responsible charge designated in accordance with rule 3745-7-02 of the Administrative Code.

The Division of Drinking and Ground Waters (DDAGW) has started a web-based monthly report reporting site called eDWR. It may be more convenient for you to submit the monthly reports using eDWR. More information regarding this can be obtained at <http://www.epa.ohio.gov/ddagw/reporting.aspx#edwr>.

Continuous failure to take action to address this violation and previous reporting violations may result in enforcement action being taken.

If you have any questions regarding this letter, or any other matter involving your water system, then contact me directly by telephone at 419-373-3088 or via electronic messaging at jack.schwartz@epa.state.oh.us.

Sincerely,

John A. (Jack) Schwartz
