Re: **2006 Consumer Confidence Report**

Dear Ms. Angel:

The Ohio Environmental Protection Agency (Ohio EPA) received the 2006 Consumer Confidence Report (CCR) for Greenwood Mobile Home Park (MHP) on June 29, 2007. The CCR was reviewed for the required content. Based on our review, the Greenwood MHP water system is in violation of the Ohio Administrative Code (OAC) Rules 3745-96-01 through 04 for failure to comply with the CCR requirements. The following minor violation was noted:

1. The 2005 violation cited to the Greenwood MHP for failure to monitor for lead and copper was not included in the report. This violation should be described in the report due to the facility not returning to compliance to date in accordance with OAC 3745-96-02(F).

Be sure to correct the violation(s) as appropriate in your next CCR. The next report for calendar year 2007 must be sent to your customers by no later than July 1, 2008. A copy of the CCR along with a Certification Form must be submitted to the Ohio EPA, Northwest District Office at the above address. Violations in future reports may result in further enforcement action.

The CCR template and template guide are accessible on our website: [www.epa.state.oh.us/ddagw](http://www.epa.state.oh.us/ddagw)
