**Subject: CCR Violations for 2007 Reporting Year**

Dear Mr. Vance:

Ohio EPA received the 2007 Consumer Confidence Report (CCR) for the Village of Columbus Grove and has reviewed it for the required content. Based on our review, the following item needs to be corrected:

1. Include the source water susceptibility language.

The next report for calendar year 2008 must be sent to your customers by no later than July 1, 2009. A copy of the CCR along with a Certification Form must be submitted to the Northwest District Office at the above address by July 1 of each year.

The CCR template and template guide are accessible at [www.epa.state.oh.us/ddagw](http://www.epa.state.oh.us/ddagw). Check our website annually for the latest information required in your CCR before preparing the report each year.

If you have any questions regarding this letter or any other matter involving your water system, please feel free to contact me at (419)373-3089 or via email at [jill.schiefer@epa.state.oh.us](mailto:jill.schiefer@epa.state.oh.us).
