SUBJECT: CCR VIOLATIONS

Ohio EPA received the 2009 consumer Confidence Report (CCR) for the Putnam County East Ottawa on July 27, 2010. The CCR was reviewed for the required content. Based on our review, the Putnam County East Ottawa public water system is in violation of the Ohio Administrative Code (OAC) Rules 3745-96-01 through 04 for failure to comply with the CCR requirements. The following violations were noted:

1. The required License to Operate status was missing. See Section 18 of the CCR Instruction Guide for this mandatory paragraph.
2. The CCR was received late by this office July 27, 2010. The CCR is due to our office by July 1st of each year.
3. The contact and public participation information for the Putnam County Commissioners was missing.

Be sure to correct the violations as needed in your next CCR. As a reminder, the CCR for calendar year 2010 must be sent to your customers by no later than July 1, 2011. A copy of the CCR and a completed Certification Form must be submitted to the NWDO by July 1, 2011.

The CCR template and instruction guide is accessible on our website at www.epa.state.oh.us/ddagw.

If you have any questions regarding this letter, or any other matter involving your water system, please feel free to contact me at this office (419) 373-3089 or via email at jill.schiefer@epa.ohio.gov.
