May 1, 2007

Mr. Mark Gardner  
Lincoln Terrace Community Water Association  
P.O. Box 2063  
Mansfield, Ohio 44905-2063

Dear Mr. Gardner:

Disinfection monitoring for total chlorine is required by Ohio Administrative Code Rule 3745-81-70 at the time total coliform samples are collected. The results of these samples are to be reported on the Total Chlorine Residual Quarterly Operating Report (EPA 5114) by the 10<sup>th</sup> of the month following the end of the calendar quarter being reported. The Total Chlorine Residual Quarterly Operating Report for the January - March 2007 calendar quarter has not been received for your water system.

If you have any questions regarding this letter, please contact me at (419) 373-3105.

Yours truly,

  
Curtis A. Eldridge  
Division of Drinking and Ground Waters
