Re: **Minor Violation in 2008 Consumer Confidence Report**

Dear Mr. Sapp:

Ohio EPA received the 2008 Consumer Confidence Report (CCR) for the Village of Edon and has reviewed it for the required content. Based on our review, the following item needs to be corrected:

1. The Source Water Susceptibility Language was left out. See the enclosure for the correct language.

The next report for calendar year 2009 must be sent to your customers by no later than July 1, 2010. One copy of the CCR, along with a Certification Form, must be submitted to the Northwest District Office by July 1st annually.

The Ohio EPA CCR template, the instructions for the Ohio EPA CCR and Certification Form that the CCR was Distributed are available at <http://www.epa.state.oh.us/ddagw/ccr.html>. Check our web site annually before preparing your CCR for the latest information required in your annual CCR.

If you have any questions, please contact me via email at jill.schiefer@epa.state.oh.us or by calling 419-373-3089.

Sincerely,

Jill A. Schiefer
