Re: **Violations in 2008 Consumer Confidence Report**

Dear Mr. Shank:

Ohio EPA received the 2008 Consumer Confidence Report (CCR) for the Village of Cygnet and has reviewed it for the required content. Based on our review, the following items need to be corrected:

1. The required health language for TTHM was not in the report.
2. MDRL and MDRLG were not defined in the report.

The next report for calendar year 2009 must be sent to your customers by no later than July 1, 2010. One copy of the CCR, along with a Certification Form, must be submitted to the Northwest District Office by July 1st annually.

The Ohio EPA CCR template, the Instructions for the Ohio EPA CCR and Certification Form that the CCR was Distributed are available at <http://www.epa.state.oh.us/ddagw/ccr.html>. Check our website annually before preparing your CCR for the latest information required in your annual CCR.

If you have any questions, feel free to contact me via email at jill.schiefer@epa.state.oh.us or by calling (419)373-3089.

Sincerely,

Jill A. Schiefer
