Subject: CCR Violations

Dear Ms. Healy:

Ohio EPA received the 2009 Consumer Confidence Report (CCR) for the Village of North Baltimore on May 4, 2010. The CCR was reviewed for the required content. Based on our review, the Village of North Baltimore public water system is in violation of the Ohio Administrative Code (OAC) Rules 3745-96-01 through 04 for failure to comply with CCR requirements. The following violation was noted:

- The status of your license to operate a public water system was not included.

Be sure to correct the violation as needed in your next CCR. As a reminder, the report for calendar year 2010 must be sent to your customers by no later than July 1, 2011. A copy of the CCR and a completed Certification Form must be submitted to the Northwest District Office.

The CCR template and instruction guide is accessible on our website:
www.epa.state.oh.us/ddagw.

If you have any questions, please contact me at (419) 373-3106.

Sincerely,

Debbie Ko
