Ohio EPA received the 2009 consumer Confidence Report (CCR) for the Northwestern Water and Sewer- Portage/Rudolph on June 30, 2010. The CCR was reviewed for the required content. Based on our review, the Northwestern Water and Sewer- Portage/Rudolph public water system is in violation of the Ohio Administrative Code (OAC) Rules 3745-96-01 through 04 for failure to comply with the CCR requirements. The following violations were noted:

1. The required License to Operate status was missing. See Section 18 of the CCR Instruction Guide for this mandatory paragraph.

Be sure to correct the violations as needed in your next CCR. As a reminder, the CCR for calendar year 2010 must be sent to your customers by no later than July 1, 2011. A copy of the CCR and a completed Certification Form must be submitted to the NWDO by July 1, 2011.

The CCR template and instruction guide is accessible on our website at www.epa.state.oh.us/ddagw.
