RE: Notice of Violation – Monthly Report

Dear Mr. Dean:

The April 2010 Plant – Distribution Monthly Operation Report (EPA Form 5002) was received late by the Ohio EPA-Northwest District Office on May 11, 2010.

Ohio Administrative Code Rule 3745-83-01(I)(2) requires the operation report to be submitted to the district office no later than the tenth of the month following the month for which the report was prepared (i.e. May's monthly operational report should be submitted to the district office no later than June 10th). The operational report is to be signed by the operator in responsible charge designated in accordance with rule 3745-7-02 of the Administrative Code.

The Division of Drinking and Ground Waters has started a web-based monthly report reporting site called eDWR. It may be more convenient for you to submit the monthly reports using eDWR. More information regarding this can be obtained at <http://www.epa.ohio.gov/ddagw/reporting.aspx#edwr>.

Failure to take action to address this violation may result in enforcement action being taken.

If you have any questions regarding this letter, or any other matter involving your water system, please feel free to contact me at 419-373- 3089 or via e-mail to jill.schiefer@epa.state.oh.us.

Sincerely,

Jill A. Schiefer
