Mr. Todd Smith
15624 Township Road 195
Kenton, Ohio 43326

Dear Mr. Smith:

The Plant – Distribution Monthly Operation Report (EPA Form 5002) was received by Ohio EPA on April 30, 2010, and was not signed by the designated operator of record.

Ohio Administrative Code Rule 3745-83-01(l)(2) requires the operation report to be submitted to the district office no later than the tenth of the month following the month for which the report was prepared and also requires the report to be signed by the operator in responsible charge designated in accordance with rule 3745-7-02 of the Administrative Code.

More than one operator of record may be designated to oversee the technical operation of the public water system by completion and return of the enclosed Operator of Record Notification Form to the Operator Certification Unit.

Failure to take actions to address these violations may result in enforcement action being taken.

Questions may be directed to my attention by contacting me at 419-373-3042 or via e-mail to Larry.Moritz@epa.state.oh.us.

Sincerely,

Larry Moritz
Division of Drinking and Ground Waters
