Notice of Violations – Monthly Report

Dear Mr. Riesen:

The October 2010 Water Plant/Distribution Monthly Operating Report (MOR) was not received by Ohio EPA-Northwest District Office (NWDO). The September 2010 MOR was received late on October 19, 2010.

Ohio Administrative Code Rule 3745-83-01(l)(2) requires the operation report to be submitted to the district office no later than the tenth of the month following the month for which the report was prepared and also requires the report to be signed by the operator in responsible charge designated in accordance with rule 3745-7-02 of the Administrative Code.

More than one operator of record may be designated to oversee the technical operation of the public water system by completion and return of the enclosed Operator of Record Notification Form to the Operator Certification Unit.

The Division of Drinking and Ground Waters has started a web-based monthly report reporting site called eDWR. It may be more convenient for you to submit the monthly reports using eDWR. More information regarding this can be obtained at <http://www.epa.ohio.gov/ddagw/reporting.aspx#edwr>.

Failure to take action to address this violation may result in enforcement action being taken.

Mr. Luke Riesen
