Notice of Violation – Monthly Report

Dear Mr. Gerken:

The June 2010 Plant – Distribution Monthly Operation Report (EPA Form 5002) was received late on July 22, 2010 by Ohio EPA-Northwest District Office (NWDO).

Ohio Administrative Code rule 3745-83-01(I) (2) requires that operation reports be submitted to NWDO no later than the tenth of the month following the month for which the report was prepared. This rule also requires that the report be signed by the designated operator in responsible charge in accordance with rule 3745-7-02 of the Administrative Code.

It has been noted the report was signed by Dan E. McElhatten.

Failure to take action to address this reporting violation may result in further enforcement action being taken.

If you have any questions regarding this letter, or any other matter involving your water system, please feel free to contact me at 419-373-3088 or via e-mail to jack.schwartz@epa.state.oh.us.

Sincerely,
