Dear Ms. Thwaite:

The September, October, November and December 2007 and January 2008 Drinking Water Operation Reports (EPA 5002) have not been received for your public water systems.

Ohio Administrative Code (OAC), Rule 3745-83-01(E) requires submittal of an operational report no later than the tenth of the month following the month being reported (i.e., May's monthly operational reports should be submitted to the district office no later than June 10<sup>th</sup>).

Continued non-compliance may result in the revocation of operational licenses in addition to other sanctions and penalties.

If you have any questions regarding this letter, please contact me at (419)373-3007.

Yours truly,

Robert A. Plotts  
Division of Drinking and Ground Waters
