Dear Mr. Sahli:

This letter acknowledges receipt on August 5, 2011 of your correspondence dated August 1, 2011. That correspondence responded to Ohio EPA's NOV letter dated July 18, 2011.

My review of the documentation provided by this correspondence, which included two hazardous waste manifests, indicates that Youngstown State has adequately demonstrated abatement of the following violations from the June 27, 2011 inspection cited in my letter of July 18, 2011, specifically:

1. OAC 3745-273-13(D)(1) Small quantity handler must contain lamps in proper containers or packaging and containers or packaging must be closed.
OAC 3745- 273-14(E) Small quantity handler must label unit holding universal waste lamps.
2. OAC Rule 3745-273-14(A) Small Quantity Handler Must Label Universal Waste Batteries/Containers.

Should you have any questions regarding this letter, please contact me at (330) 963-1165.

Sincerely,
