**OHIO ENVIRONMENTAL PROTECTION AGENCY**

In the Matter of: 

Peter Backer	:	<u>Director's Final Findings</u>
6353 Hampsher Road	:	<u>and Orders</u>
Clinton, Ohio 44216	:	

**I. JURISDICTION**

These Director's Final Findings and Orders ("Orders") are issued to Peter Backer ("Respondent") pursuant to the authority vested in the Director of the Ohio Environmental Protection Agency ("Ohio EPA") under Ohio Revised Code ("ORC") §§ 3704.03 and 3745.01.

**II. PARTIES BOUND**

These Orders shall apply to and be binding upon Respondent and heirs and successors in interest liable under Ohio law. No change in ownership of the property (as hereinafter defined) shall in any way alter Respondent's obligations under these Orders.

**III. DEFINITIONS**

Unless otherwise stated, all terms used in these Orders shall have the same meaning as defined in ORC Chapter 3704 and the rules promulgated thereunder.

**IV. FINDINGS**

The Director of Ohio EPA has determined the following findings:

1. Respondent owns residential property located at 6353 Hampsher Road in New Franklin, Summit County, Ohio. This property is located within a "restricted area" as defined in OAC Rule 3745-19-01(l) of Ohio's open burning rules.
2. OAC Rule 3745-19-03(A) prohibits open burning in a restricted area except as otherwise provided in OAC Rule 3745-19-03(B) to (D) and ORC § 3704.11. The open burning of "residential waste," as defined in OAC Rule 3745-19-01(l), is not permitted in a restricted area.
3. ORC § 3704.05(G) states, in part, that no person shall violate any order, rule, or determination of the Director issued, adopted, or made under ORC Chapter 3704. The rules in OAC Chapter 3745-19 were adopted by the Director under OAC Chapter 3704.

4. In 2002, Respondent was made aware of the regulations and prohibitions regarding open burning of residential waste on his property when he received both a warning letter and a Notice of Violation ("NOV") from the Akron Regional Air Quality Management District ("ARAQMD"), Ohio EPA's contractual representative in Summit County, directing Respondent to cease all open burning on his property.

5. On March 29, 2007, Respondent burned residential waste including, but not limited to, trash, plastics, cans, plywood, and cardboard, in violation of OAC Rule 3745-19-03(A). On April 3, 2007, an ARAQMD representative conducted an inspection of Respondent's property, and observed evidence of prohibited open burning of residential waste.

6. On April 9, 2007, ARAQMD sent a NOV letter to Respondent for the open burning violation identified in Finding 5.

7. On April 18, 2007 and July 11, 2007, New Franklin Fire Department observed other incidents of open burning of residential waste at the property. Respondent was conducting open burning in a restricted area, in violation of OAC Rule 3745-19-03(A) and ORC § 3704.05(G). ARAQMD advised the Respondent to cease and desist all open burning activities and provided a copy of the OAC Chapter 3745-19 open burning regulations.

8. Based on the above Findings for the violations occurring in 2007, the Director of Ohio EPA finds that Respondent on March 29, 2007, April 18, 2007 and July 11, 2007 violated OAC Rule 3745-19-03(A), for conducting prohibited open burning and ORC § 3704.05(G).

9. Should Respondent fail to comply with these Orders, the Director of Ohio EPA may refer this matter to the Ohio Attorney General's Office where, under the authority of ORC § 3704.06, the Director may request that the Attorney General pursue litigation and seek civil penalties of up to \$25,000 per day of violation.

10. The Director has given consideration to, and based his determination on, evidence relating to the technical feasibility and economic reasonableness of complying with the following Orders and their relation to benefits to the people of the State be derived from such compliance.

## **V. ORDERS**

The Director hereby issues the following Orders:

1. Respondent shall immediately cease all open burning in violation of OAC Rule 3745-19-03 and shall maintain compliance thereafter.

2. Within thirty (30) days after the effective date of these Orders, for the violations described in Findings 5,7 and 8, Respondent is assessed and shall pay a penalty of seven hundred and fifty dollars (\$750) to Ohio EPA in settlement of Ohio EPA's claim for civil penalties, which may be assessed pursuant to OAC Rule 3745-19-06. Payment shall be made by an official check made payable to "Treasurer, State of Ohio" and shall be submitted to Brenda Case, or her successor, with a letter identifying the Respondent, to:

A copy of the check shall be sent to James A. Orlemann, Assistant Chief, SIP Development and Enforcement, or his successor, at the following address:

Division of Air Pollution Control  
Ohio EPA  
P.O. Box 1049  
Columbus, Ohio 43216-1049

## **VI. TERMINATION**

Respondent's obligations under these Orders shall terminate when Respondent certifies in writing and demonstrates to the satisfaction of Ohio EPA that Respondent has performed all obligations under these Orders and the Chief of Ohio EPA's Division of Air Pollution Control acknowledges, in writing, the termination of these Orders. If Ohio EPA does not agree that all obligations have been performed, then Ohio EPA will notify Respondent of the obligations that have not been performed, in which case Respondent shall have an opportunity to address any such deficiencies and seek termination as described above.

The certification shall contain the following attestation: "I certify that the information contained in or accompanying this certification is true, accurate and complete."

This certification shall be submitted by Respondent to Ohio EPA and shall be signed by Respondent.

Nothing contained herein shall be construed to prevent Ohio EPA from seeking legal or equitable relief to enforce the terms of these Orders or from taking other administrative, legal or equitable action as deemed appropriate and necessary, including seeking penalties against Respondent for noncompliance with these Orders and/or for the violations described herein. Nothing contained herein shall be construed to prevent Ohio EPA from exercising its lawful authority to require Respondent to perform additional activities pursuant to ORC Chapter 3704 or any other applicable law in the future. Nothing herein shall restrict the right of Respondent to raise any administrative, legal or equitable claim or defense with respect to such further actions which Ohio EPA may seek to require of Respondent.
