

**BEFORE THE**  
**OHIO ENVIRONMENTAL PROTECTION AGENCY**

OHIO E.P.A.

NOV -6 2008

ENTERED DIRECTOR'S JOURNAL

In the Matter of:

R&M Recycling, Inc.	:	<u>Director's Final Findings</u>
4103 Lagrange Street	:	<u>and Orders</u>
Toledo, Ohio 43612	:	

**I. JURISDICTION**

These Director's Final Findings and Orders ("Orders") are issued to R&M Recycling, Inc. ("Respondent") pursuant to the authority vested in the Director of the Ohio Environmental Protection Agency ("Ohio EPA") under Ohio Revised Code ("ORC") §§ 3704.03 and 3745.01.

**II. PARTIES BOUND**

These Orders shall apply to and be binding upon Respondent and heirs and successors in interest liable under Ohio law.

**III. DEFINITIONS**

Unless otherwise stated, all terms used in these Orders shall have the same meaning as defined in ORC Chapter 3704 and the rules promulgated thereunder.

**IV. FINDINGS**

The Director of Ohio EPA has determined the following findings:

1. Respondent owns and operates an automotive/scrap recycling operation located at 4103 Lagrange Street in Toledo. The property is located in a "restricted area" as defined in Ohio Administrative Code ("OAC") Rule 3745-19-01(J).
2. OAC Rule 3745-19-03(A) prohibits "open burning," as defined in OAC Rule 3745-19-01(H), in a restricted area except as otherwise provided in OAC Rule 3745-19-03(B) to (D) and ORC § 3704.11. The provisions of OAC Rule 3745-19-03(B) to (D) and ORC § 3704.11 do not provide for the open burning of rubber, plastic, or construction and demolition debris.
3. ORC § 3704.05(G) states, in part, that no person shall violate any order, rule, or determination of the Director issued, adopted, or made under ORC Chapter 3704. OAC Chapter 3745-19 was adopted by the Director pursuant to ORC Chapter 3704.
4. On February 26 and August 11, 2008, the Toledo Department of Environmental Services ("TDES") conducted complaint investigations at Respondent's

business. During the investigations, TDES observed Respondent using a torch to cut metal tanks and car parts. During the cutting, various rubber hoses and rubber gaskets caught on fire producing flames and excessive smoke.

5. Open burning of such waste material is prohibited by rule, and the open burning was not otherwise exempted from the prohibition of OAC Rule 3745-19-03(A).

6. Based on the above Findings, the Director of Ohio EPA finds that Respondent violated the following ORC law and OAC rule:

- ORC § 3704.05(G), for violating a rule the Director adopted under ORC Chapter 3704; and
- OAC Rule 3745-19-03(A) which prohibits the open burning of such waste materials.

7. On August 12, 2008, TDES sent a notice of violation letter to Respondent for the open burning violations identified above.

8. OAC Rule 3745-19-06(A) states that the Director of Ohio EPA may assess a violator not more than one thousand dollars per day for each separate violation of the rules in this Chapter for open burning on commercial property. Respondent conducted illegal open burning activities on two occasions as referenced in Finding No. 4 of these Orders.

9. Should Respondent fail to comply with these Orders, the Director of Ohio EPA may refer this matter to the Ohio Attorney General's Office where, under the authority of the ORC § 3704.06, the Director may request that the Attorney General pursue litigation and seek civil penalties of up to \$25,000 per day of violation.

10. The Director has given consideration to, and based his determination on, evidence relating to the technical feasibility and economic reasonableness of complying with the following Orders and their relation to benefits to the people of the State be derived from such compliance.

## **V. ORDERS**

The Director hereby issues the following Orders:

1. Upon the effective date of these Orders, Respondent shall achieve compliance with the requirements of OAC Chapter 3745-19 and shall maintain compliance thereafter.

2. Within thirty (30) days after the effective date of these Orders, Respondent shall pay Ohio EPA the amount of two thousand dollars (\$2,000) in administrative penalties

pursuant to OAC Rule 3745-19-06. Payment shall be made by an official check made payable to "Treasurer, State of Ohio" for \$2,000. The official check shall be submitted to Brenda Case, or her successor, with a letter identifying the Respondent, to:

Ohio EPA  
Office of Fiscal Administration  
50 West Town Street, Suite 700  
P.O. Box 1049  
Columbus, Ohio 43216-1049

3. A copy of the check shall be sent to James A. Orlemann, Assistant Chief, SIP Development and Enforcement Section, or his successor, at the following address:

Division of Air Pollution Control  
Ohio Environmental Protection Agency  
50 West Town Street, Suite 700  
P.O. Box 1049  
Columbus, Ohio 43216-1049

## **VI. TERMINATION**

Respondent's obligations under these Orders shall terminate upon Ohio EPA's receipt of the official check required by Section V of these Orders.

## **VII. OTHER APPLICABLE LAWS**

All actions required to be taken pursuant to these Orders shall be undertaken in accordance with the requirements of all applicable local, State and federal laws and regulations. These Orders do not waive or compromise the applicability and enforcement of any other statutes or regulations applicable to Respondent.

## **VIII. RESERVATION OF RIGHTS**

Nothing contained herein shall be construed to prevent Ohio EPA from seeking legal or equitable relief to enforce the terms of these Orders or from taking other administrative, legal or equitable action as deemed appropriate and necessary, including seeking penalties against Respondent for noncompliance with these Orders and/or for the violations described herein. Nothing contained herein shall be construed to prevent Ohio EPA from exercising its lawful authority to require Respondent to perform additional activities pursuant to ORC Chapter 3704 or any other applicable law in the future. Nothing herein shall restrict the right of Respondent to raise any administrative, legal or equitable claim or defense with respect to such further actions which Ohio EPA may seek to require of Respondent. Nothing in these Orders shall be construed to limit the authority of Ohio EPA to seek relief for violations not addressed in these Orders.

**IX. EFFECTIVE DATE**

The effective date of these Orders is the date these Orders are entered into the Ohio EPA Director's journal.

**IT IS SO ORDERED:**
