Dear Mr. McNeese:

Thank you for your March 3, 2009 response to Ohio EPA's February 9, 2009 Notice of Violation letter. This adequately addresses items number 1 through 5 in our February 9, 2009 Notice of Violation. Marathon returned to compliance with each of the cited rules on March 3, 2009, the date we received your response.

My review of this document reveals that Marathon adequately demonstrated abatement of all violations discovered during our January 22, 2009 inspection.

If you should have any questions, please feel free to call me at (330) 963-1245.

Sincerely,

Bill Lutz
