Re: INFORMATION RELATING TO OPEN BURNING WITHIN CITY LIMITS

Dear Mr. Mayle:

This office is in receipt of a report indicating that the Canton Fire Department was called to your illegal fire too close to your garage on the evening of April 30, 2007. This agency is also in receipt that you had an illegal burn in November, 2006.

The city has ordinances against open burning for waste disposal. Open burning is permitted for cooking food for human consumption. Except for common barbeque grills, the city requires verbal application made to the local fire department in your area at least 48 hours prior to the time the recreational fire is set. You do this by calling the Canton Fire Department at (330) 489-3400. There are city restrictions on the locations, size, fuel, and duration of the fire. Enclosed is a copy of Canton City Ordinance 15 13 on Recreational Fires. Also enclosed is a copy of the form that the fire department will fill out when you call in your verbal application to them. You might find this helpful as a guide to facilitate the process.

Sincerely,

Gregory A. Clark, CHMM, CAHES
Air Pollution Control Engineer
