**Re: INFORMATION RELATING TO OPEN BURNING WITHIN CITY LIMITS**

Dear Mr. White:

This office is in receipt of a report indicating that the Canton Fire Department was called to your scrap wood fire on the afternoon of May 4, 2007.

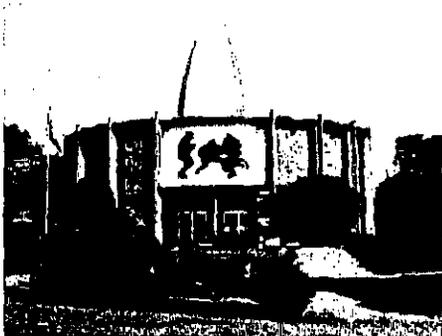

Burning for waste disposal is prohibited within the city limits. Open burning is permitted for cooking food for human consumption, but restrictions apply. Except for common barbecue grills, the city requires verbal application made to the fire department at least 48 hours prior to the time the recreational fire is set. You do this by calling the Canton Fire Department at (330) 489-3400. There are city restrictions on the locations, size, fuel, and duration of the fire. Enclosed is a copy of Canton City Ordinance 15 13 on Recreational Fires. Also enclosed is a copy of the form that the fire department will fill out should you ever call in a verbal application to them. You might find this helpful as a guide to facilitate the process.

Sincerely,

  
Gregory A. Clark, CHMM, CAHES  
Air Pollution Control Engineer
