**Re: NOTICE OF VIOLATION: OHIO ADMINISTRATIVE CODE 3745-19-04;
UNAUTHORIZED ILLEGAL OPEN BURNING IN AN UNRESTRICTED AREA.**

Dear Mr. Hostetler:

The Canton City Health Department, Air Pollution Control Division (APCD) represents the Ohio EPA in air quality matters within Stark County. As such, APCD employees are charged with the responsibility to investigate and enforce Ohio EPA (OEPA) air pollution regulations. APCD employees are authorized under Ohio Revised Code 3704.03 (L) to enter upon private property to determine if there is noncompliance with OEPA regulations.

On Wednesday, March 19, 2008 at 10:25AM, I inspected your residence of 11762 Lincoln Way West, Massillon, OH 44647 in Tuscarawas Township of Stark County. During this inspection, I obtained visual and photographic evidence of the open burning for waste disposal in a large recreational burning area behind your detached 3-car garage. Items of evidence photographed found were; partially burnt asphalt shingles, aluminum cans, unidentifiable plastic items, and treated wood.

Since your residence is located in what the Ohio EPA defines as an unrestricted area, according to The Ohio Administrative Code 3745-19-04; bonfires, campfires and outdoor fireplace equipment, whether for cooking food for human consumption, pleasure, religious, ceremonial, warmth, recreational, or similar purposes, if the following conditions are met:

- 1. They are fueled with clean seasoned firewood, natural gas or equivalent, or any clean burning fuel with emissions that are equivalent to or lower than those created from the burning of seasoned firewood;*
- 2. They are not used for waste disposal purposes; and*
- 3. They shall have a total fuel area of three feet or less in diameter and two feet or less in height except when such fire is used for ceremonial purposes it may have a total fuel area no greater than five feet in diameter and five feet in height if the ceremonial fire burns no longer than three hours.*

Be aware that, The Ohio Administrative Code 3745-19-06; Open burning unilateral order;

- 1. The director may assess and collect administrative penalties from any person who violates any of the rules in this chapter. Through unilateral orders, the director may assess a violator not more than **\$250.00** per day for each separate violation of the rules in this chapter for open burning on residential property and not more than **\$1,000.00** per day for each separate violation of the rules in this chapter for open burning on industrial, commercial, institutional, or municipal property. Commercial property includes construction sites, including, but not limited to, the construction of residential homes, if the sites are not properly permitted under section 3704.11(C) of the Revised Code. A separate violation is assessed for each day (24-hour period) the violation occurs.*
- 2. The director's authority under paragraph (A) of this rule is in addition to, and not in limitation of, the director's authority under section 3704.06 of the Revised Code to request the attorney general to initiate legal action to seek penalties of not more than **\$25,000.00** for each day of each violation for the violation of rules in this chapter.*

This agency strongly advises you to conduct any future open burning in strict compliance with the Ohio EPA regulations so as to avoid any further response from this Agency. Should you have any questions concerning this letter or the open burning regulations, please contact me at (330) 489-3385.

Sincerely,

Denny Tan
