Re: INFORMATIONAL LETTER/OPEN BURNING

Dear Mr. Neal,

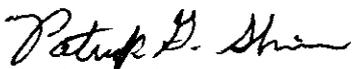

On October 8, 2010, The Canton City Health Department, Air Pollution Control Division (APCD) received notice from Canton Fire Department regarding a fire on your property. According to the report, the fire consisted of plywood, which was being burned for the purpose of "WASTE DISPOSAL".

Please be advised that open burning for waste disposal on your property is in violation of Ohio Revised Code 3745-19-03 "Open burning in restricted areas", and the property owner can be held responsible for violations occurring on their property.

This Agency does not intend to pursue further enforcement actions at this time, but be aware that violations can incur fines of \$250 per day per violation.

Enclosed, for your reference, is a copy of Ohio EPA regulation 3745-19-03 "Open burning in restricted areas".

Sincerely,

Patrick Shriver

Monitoring and Inspections Supervisor
Canton City Health Department

Enclosure: OAC Rule 3745-19-03
