JEFFCO LAKES CAMPGROUND
PERMIT 3PR00303

Mr. James R. Carkhuff
Jeffco Lakes Campground
6758 Hayes Road
Andover, OH 44003

Dear Mr. Carkhuff:

It has come to my attention that your National Pollutant Discharge Elimination System (NPDES) permit expired on May 31, 2007. Your renewal application submitted in December 2006 was incomplete. We have contacted you several times regarding the submission of a 2E to complete your NPDES renewal application; to date this has not been submitted.

Presently, you are in significant violation of the Ohio Revised Code 6111 and subject to \$10,000 fines per day for discharging to waters of the state without an effective NPDES permit. For your convenience, a copy of the 2E form has been included with this mailing. Failure to complete the form and return it to our office by September 14, 2007, will result in a recommendation to our legal staff to initiate an enforcement action with the appropriate penalties.

If you have any questions, feel free to contact me at (330) 963-1112.

Sincerely,

Richard D. Blasick, P.E.
