NOTICE OF VIOLATION – ACTION REQUIRED

Attn: Chaten Patel
Budget Inn
5891 Akron-Cleveland Road
Hudson, OH 44236

SUMMIT COUNTY
BUDGET INN
NON-COMMUNITY, TRANSIENT PWS
PWS ID: OH7751122

**Subject: Failure to Conduct Required Repeat Total Coliform and Failure to Sample
Source Water for Fecal Indicators**

Dear Sir/Madam:

Budget Inn is in violation of monitoring requirements for Total Coliform established by Ohio Administrative Code (OAC), Rule 3745-81-21 for Third Quarter of 2012.

Ohio EPA records indicate that a total coliform-positive sample was collected from this water system on 9/24/2012 and the required repeat samples were not collected. To ensure the safety of drinking water provided by your system, monitoring with all of the required repeat samples is essential.

Budget Inn is also in violation of Ohio Administrative Code (OAC) 3745-81-42 for failure to comply with the Ground Water Rule monitoring requirements.

To address this violation, return to compliance, and prevent federal enforcement action, the required source water samples must be collected. Failure to collect the required source water sample(s) may result in enforcement action by the United States Environmental Protection Agency (U.S. EPA). If source water (raw) samples were collected as required, submit the results to the appropriate Ohio EPA District Office as soon as possible. If raw water samples were not collected, they must still be collected and Ohio EPA must receive results to return to compliance and prevent referring this violation to U.S. EPA

IMMEDIATE ACTION REQUIRED:

- 1. Consult with Ohio EPA within 24 hours** regarding public notice requirements. If you have not already received direction regarding this violation, contact the NEDO at 330-963-1227.
- 2. Issue the enclosed public notices within 24 hours** in accordance with OAC, Rule 3745-81-32 using one or more of the following methods to reach all persons served.
 - Hand delivery to persons served by the water system;
 - Posting in conspicuous locations, such as bulletin boards, restrooms, drinking fountains, vending areas;
 - Send to parents or guardians of children at schools or day care facilities;
 - Another delivery method approved in writing by the director;
 - Posted notices must remain in place for as long as the violation exists, but in no case for less than seven (7) days (even if the violation is resolved). The language in italics on the enclosed public notice is mandatory and must be included, as written. Do not make changes to the public notice without consulting with Ohio EPA beforehand.

NOTE: Issuance of a Public Notice must be repeated every 30 days for as long as the violation exists, unless directed otherwise by the District Office. A verification form and a copy of each public notice, stating the corrective measures completed to date, must be submitted to the Ohio EPA.

3. **Complete the enclosed verification form, within 10 days of issuing the Public Notices** and mail it to Ohio EPA - NEDO. Include a copy of each notice distributed, published or posted.
4. **Collect a set of four (4) repeat samples, until one set is total coliform-negative to discontinue the Water Use Advisory.** Notify the people served by the water system when the water use advisory is discontinued.
5. **Collect a raw sample from each well in operation, or one raw sample representative of the wells, at the time the positive sample was collected.** The sample should be labeled a "Special Purpose" and marked as GWR001.
6. **Monitor with at least five (5) routine samples** in the month following a routine total coliform-positive result in accordance with OAC, Rule 3745-81-21(B)(7).

If repeat samples were collected, submit them as soon as possible.

If you have any questions, contact Ursula Musselman at 330-963-1227.

Sincerely,

Nancy N. Rice
Environmental Manager
Division of Drinking and Ground Waters

DRINKING WATER NOTICE

Source Monitoring requirements were not met for Budget Inn

We are required to monitor our source (raw) water for fecal indicators following a positive sample for total coliform in our distribution system. On 9/24/2012 12:00:00 AM, we "did not monitor or test" or "did not complete all monitoring or testing" for total coliform bacteria, and therefore cannot be sure of the quality of your drinking water during that time.

What Should I Do?

There is nothing you need to do at this time. You do not need to boil your water or take other corrective actions. If a situation arises where the water is no longer safe to drink, you will be notified within 24 hours.

What is being done?

Upon being notified of this violation, the water supply was required to have the drinking water analyzed for the above mentioned parameters and post this public notice to inform our customers. Budget Inn will take steps to ensure that adequate monitoring will be performed in the future.

For more information, please contact _____ at _____
name of contact phone number
or at _____
mailing address

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

Date Distributed:

**PUBLIC NOTICE INSTRUCTIONS AND VERIFICATION FORM
FOR TIER 1 and 3 VIOLATIONS**

The owner or operator of a public water system with a Tier 1 violation or situation that may pose an acute risk to human health is required to notify the persons served by the public water system. Notice shall be issued as soon as practical but **no later than 24 hours** after the system learns of the violation. Public notice shall be repeated as established during consultation with Ohio EPA.

I HEREBY CERTIFY THAT THE PUBLIC WAS NOTIFIED BY THE FOLLOWING METHOD(S) INDICATED BELOW, AS DESCRIBED IN THE OHIO ADMINISTRATIVE CODE RULE 3745-81-32:

Required Method of Public Notification	Actual Method of Public Notification
<p>Use one or more of the following methods to reach all persons served by the public water system:</p> <ol style="list-style-type: none"> 1. Public notice issued by appropriate broadcast media (such as radio and television stations) 2. Public notice issued by continuous posting in conspicuous places throughout the area served by the water system (required to remain posted for as long as the violation exists) 3. Public notice issued by hand delivery to persons served by the water system 4. Public notice issued by another delivery method approved in writing 	<p>Describe actual methods used to notify public of the violation:</p> <p>1A. Name of station(s) _____</p> <p>1B. Date provided to station(s) _____</p> <p>2A. Dates of posting _____</p> <p>2B. Locations of posting _____ _____</p> <p>3. Date of delivery _____</p> <p>4A. Method _____</p> <p>4B. Date _____</p>
<p>Additional methods established in consultation with Ohio EPA</p>	<p>A. Method(s) _____ _____</p> <p>B. Date(s) _____</p>

Please indicate below what public notice was used. INCLUDE A COPY OF THE PUBLIC NOTICE.

_____ A public notice as provided was issued without changes.

_____ A different public notice was issued.
