Subject: Rescinding Violation – TCR

Dear Mr. Tadsen:

Your public water system was issued a notice of violation of Rule 3745-81-21 of the Ohio Administrative Code (OAC) on 9/24/2012 for the monitoring period of August 2012. The sample was collected but the result was reported to the wrong public water system.

The violation has been rescinded and the public notice sent with the notice of violation referenced above does not need to be issued at this time.

Please ensure future sample results are submitted as required. If you have any questions, please contact this office at 330-963-1199.

Sincerely,

Stephen Bopple, P.E.
