**RE: Preble County Landfill 2011 Annual Operational Report
Return to Compliance**

Dear Mr. Jones:

Ohio Environmental Protection Agency (Ohio EPA), Southwest District Office (SWDO), received the 2011 Preble County Sanitary Landfill Annual Report on April 2, 2012. Additional information was submitted on June 29, 2012, following a June 13, 2012, Ohio EPA correspondence requesting that the disposal capacity calculations be reviewed, and that the cost estimate include the ground water corrective measure plan requirements. The June 29, 2012, report was reviewed for compliance with Ohio Administrative Code (OAC) Rule 3745-27-19(M) and found to be complete.

Nothing in this letter shall be construed to authorize any waiver from the requirements of any applicable state or federal laws or regulations. This letter shall not be interpreted to release the owner or operator, or others, from responsibility under Chapters 3704, 3714, 3734, or 6111 of the Ohio Revised Code or under the Federal Clean Water Act, Resource Conservation and Recovery Act, or Comprehensive Environmental Response, Compensation, and Liability Act for remedying conditions resulting from any release of contaminants to the environment.

If you have any questions regarding this letter, please contact me by telephone at (937) 285-6094 or by email at jill.olberding@epa.ohio.gov.

Sincerely,

Jill Olberding, R.S.
Environmental Specialist
Division of Materials and Waste Management
