Re: Notice of Violation  
Norlick Sewer District #1  
Ohio EPA Permit No. 2PG00067  
NPDES Permit No. OH0058831

November 9, 2007

Williams County Commissioners  
12953 County Road G  
Bryan, Ohio 43506

Dear Commissioners:

A review of your current NPDES permit indicates violations of the conditions in your compliance schedule. The specific instances of noncompliance are as follows:

| Category     | Milestone                | Code | Scheduled Date |
|--------------|--------------------------|------|----------------|
| Construction | Complete Plans and Specs | 1799 | 7/1/07         |
| Construction | Advertise for Bids       | 1899 | 10/1/07        |

Your current NPDES permit requires a status report to be submitted every three months regarding this project. This office has yet to receive a status report.

Please inform this office in writing within 10 days of receipt of this letter as to the reasons for the above referenced violations, as well as a description of the actions taken or proposed to prevent any further violations. Your response should include the dates, either actual or proposed, for completion of the actions.

If these violations continue to occur and if satisfactory progress is not made, it may be necessary to initiate enforcement action to achieve compliance.

If there are any questions, please contact Nush Courlas at 419.373.3053 or at tanushree.sinha@epa.state.oh.us.

Sincerely,

Elizabeth A. Wick, P.E.  
District Engineer, Unit Supervisor  
Division of Surface Water
