d.b.a. Waste Removal Equipment : and Orders
4588 State Route 82 :
Mantua, Ohio 44255 :

I. JURISDICTION

These Director's Final Findings and Orders ("Orders") are issued to Kay Enterprises, Inc. d.b.a Waste Removal Equipment ("Respondent") pursuant to the authority vested in the Director of the Ohio Environmental Protection Agency ("Ohio EPA") under Ohio Revised Code ("ORC") §§ 3704.03 and 3745.01.

II. PARTIES BOUND

These Orders shall apply to and be binding upon Respondent and successors in interest liable under Ohio law. No change in ownership of the Respondent or of the facility (as hereinafter defined) shall in any way alter Respondent's obligations under these Orders.

III. DEFINITIONS

Unless otherwise stated, all terms used in these Orders shall have the same meaning as defined in ORC Chapter 3704 and the rules promulgated thereunder.

IV. FINDINGS

The Director of Ohio EPA has determined the following findings:

1. Respondent owns the commercial property located at 4588 State Route 82, Mantua Township, Portage County, Ohio. At the property, Respondent sells and services waste removal equipment. The property is located in an "unrestricted area" as defined in Ohio Administrative Code ("OAC") Rule 3745-19-01(K).

2. OAC Rule 3745-19-04(A) prohibits any property owner or person from causing or allowing "open burning," as defined in OAC Rule 3745-19-01(H), in an unrestricted area except as otherwise provided in OAC Rule 3745-19-04(B) to (D) and ORC § 3704.11. The provisions of OAC Rule 3745-19-04(B) to (D) and ORC § 3704.11 do not provide for the open burning of commercial waste for disposal in an unrestricted area.

3. ORC § 3704.05(G) states, in part, that no person shall violate any order, rule, or determination of the Director issued, adopted, or made under ORC Chapter 3704. OAC Chapter 3745-19 was adopted by the Director pursuant to OAC Chapter 3704.

4. On September 4, 2008 and continuing through September 8, 2008, Respondent open burned solid waste and construction waste at its property, in violation of OAC Rule 3745-19-04(A) and ORC § 3704.05(G).

5. On September 10, 2008, a representative from Akron Regional Air Quality Management District ("ARAQMD") performed an inspection of the Respondent's facility and confirmed that such open burning had occurred at the facility. During the inspection, Respondent acknowledged to the inspector that open burning of waste had occurred from September 4, 2008, and continued through September 8, 2008.

6. The open burning of such waste material is prohibited by rule, and the open burning was not otherwise exempted from the prohibition of OAC Rule 3745-19-04(A).

7. On September 12, 2008, ARAQMD sent a Notice of Violation ("NOV") letter to Respondent for the open burning violations identified above. On September 16, 2008, Respondent sent ARAQMD a response to the NOV. In its response, Respondent acknowledged receipt of the NOV and pledged to maintain compliance with Ohio's open burning laws and regulations.

8. OAC Rule 3745-19-06(A) states that the Director of Ohio EPA may assess a violator not more than one thousand dollars (\$1,000) per day for each separate violation of the rules in this Chapter for open burning on commercial property. The violations that occurred on September 4, 2008 through September 8, 2008 are being assessed a penalty of \$400 per day for five days of violation.

9. Should Respondent fail to comply with these Orders, the Director of Ohio EPA may refer this matter to the Ohio Attorney General's Office where, under the authority of ORC § 3704.06, the Director may request that the Attorney General pursue litigation and seek civil penalties of up to \$25,000 per day of violation.

10. The Director has given consideration to, and based his determination on, evidence relating to the technical feasibility and economic reasonableness of complying with the following Orders and their relation to benefits to the people of the State be derived from such compliance.

Nothing herein shall restrict the right of Respondent to raise any administrative, legal or equitable claim or defense with respect to such further actions which Ohio EPA may seek to require of Respondent.
