RE: NOTICE OF VIOLATION
NPDES Permit 11A00010*ID, OH0045322

Dear Mr. Carpenter:

I have reviewed your self-monitoring report for the month of August, 2010, for the discharge 001 from the Ahlstrom West Carrollton facility. The review indicates an effluent limit violation in regard to the NPDES permit for this facility. The specific instance of noncompliance is as follows:

EFFLUENT LIMIT VIOLATION AT OUTFALL 001

<u>Parameter</u>	<u>Date</u>	<u>Permit Limit</u>	<u>Value Reported</u>
Acute toxicity, c. dubia	8/19/2010	1.0 TUa	3.9 TUa

Please be advised that failure to comply with the effluent limitations or to satisfy the monitoring or reporting requirements of your NPDES permit may be cause for enforcement action pursuant to the Ohio Revised Code Chapter 6111.

We did not receive a noncompliance notification for the above violation. You must reply to this Notice of Violation within 10 days discussing the reason for the toxicity limit exceedance and the actions being taken to prevent further occurrences. If you have any questions, please contact me at (937) 285-6101.

Sincerely,

Mary Osika
Environmental Specialist
Division of Surface Water
