Mr. Tim Ewing  
Director of Buildings  
Canton Local School District  
4526 Ridge Avenue, SE  
Canton, OH 44707-1118

Dear Mr. Ewing:

A review of the compliance history for the H.R. Walker Elementary School for the time period of September 2007 through December 2007 indicates that you have not submitted any DMR's to this Agency as required by NPDES permit 3PT00113\*AD. The Canton City Local School District is in significant noncompliance with the aforementioned permit. Considering this fact and the history of noncompliance with the terms and conditions of the NPDES permit, this writer is making a recommendation to our Central Office to process an enforcement action.

If you should have any questions, feel free to contact this writer at (330) 963-1136.

Sincerely,

*for*
