Dear Mr. Fike:

On June 28, 2010, this office received additional information from you. The following information is still needed:

1. You submitted the Operator of Record Form with Mr. Ron Fike's name and signature on it. It is not believed that Mr. Fike possesses a Class A Wastewater License. Your chosen operator must have at least a Class A Wastewater License; enclosed is a partial list of contract licensed operators.
2. Please submit a short report which describes how the land application of treated sewage is managed including application rates, setbacks, and the practices that are used to comply with paragraph (E)(1) of Rule 3745-42-13 of the Ohio Administrative Code. Sincerely,
