Mr. Jeff L. Hines  
Jeff's Auto Repair  
4491 State Route 60  
Marietta, Ohio 45750

Dear Mr. Hines:

On September 11, 2012, Ohio EPA inspected Jeff's Auto Repair in Marietta, Ohio to determine compliance with Ohio's hazardous waste laws. A Notice of Violation letter was sent to you on September 18, 2012 requesting a response within 21 days. You failed to respond. I conducted a follow up inspection on October 26, 2012 in which you confirmed that in the future you will be sending your used oil to Central Ohio Oil or another company with an EPA ID number.

Based on the above, you have now abated the violation discovered during the September 11, 2012 inspection.

As previously recommended during the inspection, please consider recycling your used oil filters to either a vendor on the list that was enclosed in my first NOV letter, or to a local scrap metal dealer.

If you have any questions, please contact me by telephone at (740) 380-5293 or by e-mail at [donna.goodman@epa.ohio.gov](mailto:donna.goodman@epa.ohio.gov).

Sincerely,

Donna Goodman  
Inspector  
Division of Materials and Waste Management

***Ohio EPA's failure to list specific deficiencies or violations in this letter does not relieve your company from having to comply with all applicable regulations.***
