Dear Mr. Greenawalt:

This letter confirms our conversation of October 1, 2012 wherein I observed that you were open burning in violation of Ohio Administrative Code (OAC) 3745-19-04(A).

Specifically, at 510 Industrial Way, Marengo, Ohio you were open burning construction debris. Additionally, you were open burning landscape waste generated offsite. Additionally this open burning was occurring within 1,000 feet from the nearest inhabited building off said premises. Additionally, you were open burning rubber hose and copper wire.

This letter is not a final action of the Director of the Ohio EPA and is intended only as a notification of a violation of the Ohio environmental laws and regulations. It does not preclude Ohio EPA or any other governmental entity from further enforcement action.

Should you have any questions, please do not hesitate to call me at (614) 728-3808.

Sincerely,
