Termination of Director's Final Findings and Orders

Dear Mr. Kremer:

I am writing to notify you that the Ohio EPA Division of Drinking and Ground Waters (DDAGW) is terminating the Director's Final Findings and Orders (Orders) issued to you on March 10, 2008. DDAGW has verified that all outstanding obligations under the Orders have been performed.

Therefore, as of the date of this letter, the Orders issued to McCartyville Well Association on March 10, 2008 are terminated. This termination in no way relieves McCartyville Well Association's public water system of responsibility for future compliance with Ohio's safe drinking water laws.

Should you have any questions regarding Ohio EPA's termination of the Orders, please contact Katie Hernandez at (614) 644-2752.

Sincerely,

Michael G. Baker, Chief
Division of Drinking and Ground Waters
