Dear Mr. Angus:

You are hereby cited for violations of the Ohio Administrative Code section 3745-17-08 (B)(1) (Fugitive Dust) and Title 9 Section 97.01 of the Akron Code of Ordinances. These violations have occurred on your jobsite at 57 S. Broadway Street in the city of Akron (Summit County).

On June 13, 2007, an inspector from the Akron Regional Air Quality Management District investigated a complaint regarding the sawing of block. The inspector observed excessive dust as the result of sawing cement block without water or any form of dust suppression. At this time, Jarod Williams was contacted, the fugitive dust regulations were explained to him, and a written order to "cease and desist" all illegal sawing activities was issued.

Again, on October 5, 2007, an inspector observed the sawing of masonry without water and Jarod Williams was contacted and given written orders.

In light of this most recent violation, you are urged to take appropriate steps to be sure that no further illegal generation of fugitive dust occurs on this jobsite or any others. **Within fifteen days of receipt of this letter, please submit a written commitment to cease all further illegal generation of fugitive dust.**

Acceptance by this Agency of your commitment does not constitute a waiver of this Agency's authority to seek civil penalties as provided in Title 9 Section 97.01 of the Akron Code of Ordinances, or to refer the matter to the Ohio EPA for their enforcement action (including imposition of civil penalties). The determination to pursue or to decline such penalties will be made at a later date.

If you have any questions regarding this matter, please contact me at 330/375-2480 ext 6051.

Yours truly,
