**RE: RETURN TO COMPLIANCE LETTER
SPRING GROVE RESOURCE RECOVERY – OHD000816629**

Dear Mr. Bley:

On October 29, 2012, Ohio EPA received documentation from Spring Grove Resource Recovery (SGRR) as required by the October 10, 2012, notice of violation letter. The documentation included unmanifested waste reports and an explanation of steps taken by SGRR to prevent the mislabeling of hazardous waste. Based on the information submitted, SGRR has adequately demonstrated abatement of the remaining violations cited in the October 10, 2012 notice of violation letter:

1. **Duty to Comply, Condition A.5 and OAC 3745-50-58(A)**
2. **Manifest System, Condition B.24(c) and OAC 3745-54-76**

If you have any questions, please either email me at cathy.altman@epa.ohio.gov or call me at (937) 285-6093.

Sincerely,

A handwritten signature in cursive script that reads 'Cathy L. Altman'.

Cathy L. Altman
