Akron, OH 44320

Dear Mr. Zazo:

You are hereby cited for violations of the Ohio Administrative Code section 3745-17-08 (Fugitive Dust) and Title 9, Section 97.01 of the Akron Code of Ordinances. These violations have occurred on your property at 1669 Copley Road in Akron, Ohio (Summit County).

On August 17, 2007, an inspector from the Akron Regional Air Quality Management District (ARAQMD) witnessed excessive fugitive dust being generated at Fairlawn Landscape Supply in the city of Akron. The inspector observed excessive dust from untreated parking lots and haul roads. At this time contact was made, the fugitive dust regulations were explained, and a written order to use a dust control method was issued.

During re-inspection of the aforementioned complaint on September 6, 2007, an inspector observed excessive fugitive dust being generated on your property. Visible emissions readings were taken and another violation was documented.

In light of this most recent violation, you are urged to take appropriate steps to be sure that no further illegal generation of fugitive dust occurs on your property at 1669 Copley Road in Akron, Ohio. **Within fifteen (15) days of receipt of this letter, please submit a written commitment to cease all further illegal generation of fugitive dust.**

Acceptance by this Agency of your commitment does not constitute a waiver of this Agency's authority to seek civil penalties as provided in Title 9, Section 97.18 of the Akron Code of Ordinances, or to refer the matter to the Ohio EPA for their enforcement action (including imposition of civil penalties). The determination to pursue or to decline such penalties will be made at a later date.

If you have any questions regarding this matter, please contact me at 330/375-2480 ext 6051.

Yours truly,
